Chairman's Message

Introducing a World of Professional Excellence.

ANURA Group, founded in the year 2015, emerged into the limelight as an outcome of the entrepreneurial thought process of the Founder & Chairman with over 20 years of industry experience. With a broader and futuristic vision, he always thrived on expanding horizons and to implement something different from other conventional business models.

We value our customers and always extend our proficient care and services to their complete satisfaction by exploring efficient management and excellent workmanship. As we look into the years ahead, we pledge to remain committed to excellence, keep abreast of changes and innovations, adopt conducive management policies to successfully overcome all challenges.

At ANURA Group, we pride ourselves in offering our customers responsive, competent and excellent professional services and care at its very best always. Our customers are the core part of our existence and we work tirelessly to ensure complete satisfaction.

Over the years we have strategically diversified our business lines and expanded both our service offerings and our geographical reach. Our company profile will take you through our legacy of achievements and highlight our services spread across a variety of expertise in Construction, General Trading, Information Technology, Telecom, Solar and Green Energy Solutions, Business Consultancy and Health Care Management Solutions.

The determination to succeed has always been at the forefront of our efforts to provide better solutions. By building on our core values of Quality, Reliability, Customer Satisfaction and Value for Money, further combining these values with experience, we have created a success story to cherish.

Headquartered in the Kingdom of Bahrain, we have our footprints felt in four countries and let us present ANURA's professionalism, skills and values along with our optimism for the future.

Avinash Raj
CEO, ANURA GROUP

Enriched by Expertise

Powered by a successful journey over the last years and envisioned by a dynamic team of enthusiasts, ANURA Group cherishes the heritage of bringing fruitful solutions in whatever we do.

Based in the Kingdom of Bahrain, ANURA has made steady progress over the years and now evolved into a successful, multifaceted company with a highly respected international profile. In an increasingly demanding and competitive world, our prime focus is on always stand responsive to global industry developments and bring in those waves of changes to the shore of our services.

We recognize that our success story is no way a guarantee for a bright future, so we will continue our relentless drive to achieve bigger and better results in all aspects of our operations.

Vision & Mission

To deliver highest level of quality in our services with cutting edge technologies and always inspire by providing true satisfaction to our customers with our unique professional approach.

Creating Identity

Business Consultancy Services

ANURA has developed a successful model for business consultancy services by thoughtfully merging firsthand experience with a futuristic approach. Our consulting firm offers predictive solutions for corporate growth that adapt as your business expands. We operate in key strategic areas, such as Management Consulting, ISO Certifications, Marketing and Promotion, Educational Apps, Pharma Business Promotion & Dealer Network Building in French African Region, Branding, Advertising and Franchising processes, Innovation, Sustainability and Human Resources.

Continuous improvement, motivation, ethics, transparency and pragmatism are the driving values which we promote with a working culture focusing on implementing world-class strategies. We are unique in many ways, from our resourceful people to our innovative approach to problem solving. However, we are not a typical consulting firm providing the same set of proven techniques and methodologies for success. Rather, ANURA is built upon as a constantly growing and evolving team of experts in every imaginable field who become your partners in your business and help you rediscover your firm's true potential and spot new opportunities.

We work with project teams to deliver better results using our integrated design process and tailor-made work plan. Our robust and data driven cost planning ensures maximum efficiency at all times. We can be there with you at every step of your organization's journey, from its inception and early development to the latest stages of its lifecycle – by creating a unique brand identity.

“ Our team takes pride in creating bespoke works that deliver great experiences. We believe in building long-term partnerships rather than quick turnaround projects ”
